For a Cold and Congn,

Take it morning, noon, and evening, according to directions on the bottle, and the difficulty will soon be removed. None will long suffer from this trouble when they find it can be so readily cured. Persons afflicted with a seated cough, which breaks them of their rest at night, will find by taking the Orkers Pecros at on going to bed they may be sure of sound, unbroken sleep, and consequently refreshing rest. Great relief from suffering, and an ultimate cure, is afforded to the thousands who are thus afflicted, by this infaluable remedy.

From its agreeable effect in these cases, many find themselves unwilling to forego its use when the necessity forit has ceased.

From two eminent Physicians in

FANETEWILLE, TENN., April 16th, 1851.

Sir:—We have given your CHERRY PECTORAL an extensive trial in our practice, and find it to surpass every other remedy we have for curing affections of the respiratory organs.

DRS. DIEMER & HAMPTON. To Singers and Public Speakers.

This remedy is invaluable, as by its action on the throa and lungs, when taken in small quantities, it removes al hoarseness in a few hours, and wonderfully increases th power and flexibility of the voice. Asthma

Is generally much relieved, and often wholly cured by CHERRY PECRORAL. But there are some cases so obsti-nate as to yield entirely to no medicine. CHERRY PEC-TORAL will cure them, if they can be cured. Bronchitis, or irritation of the throat and upper portion of the lungs, may be cured by taking Cherry Pectoral in small and frequent doses. The uncomfortable oppression is soon relieved.

Rev. Doct. Lansing, of Brooklyn, New York, states:—
"I have seen the Cherry Pectoral cure such cases of Asthma and Bronchitis as leads me to believe it can trarely fail to cure those diseases."

For Croup. Give an emetic of antimony, to be followed by large an frequent doses of the Cherry Pectoral, until it subdues the disease. If taken in season, it will not fail to cure.

Whooping Cough may be broken up and soon cured by the use of Cherry Pectoral. The Influenza is speedily removed by this remedy. Numerous instan-ces have been noticed where whole fan ilies were protect, ed from any serious consequences, while their neighbor-without the Cherry Pectoral, were suffering from the

Doct, J. C. Ayer:—I write to inform you of the truly remarkable effect of your CHERRY PECTORAL in this place, and in my own family.—One of my daughters was completely cured in three days of a dreadful WHOOP. ING COUGH, by taking it. Dr. Eeans, one of our very best physicians freely states that he considers it the best remedy we have for pulmonary diseases, and that he has cured more cases of CROUP with it than any other medicine he ever administered.

Our clergyman of the Baptist Church says that during the run of INFLENKA here this season, he has seen cures from medicine he could scarcely have believed without seeing.

\$500 CHALLENGE. WHATEVER concerns the health and happiness of a people is at all times of the most valuable importance. I take it for granted that every person will deall in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifice. I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food banother, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote WORMS, and you should at once apply the remedy:—

HOBENSACK'S WORM SYRUP. An article founded upon scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender infant with decided beneficial effect, where Bowel Complaints and Diarrhea have made them weak and debilitated the Tonic properties of my Worm Syrup are such, that it stands without an equal in the catalogue of medicines, in giving tone and strength to the Stomach, which makes it an Infallible renedy for those afflicted with Dyspepsia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM! THE TAPE WORM!

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost Indefinite length becoming so coiled and fastened in the Intestines and Stomach effecting the health so sadly as to cause St Vitus Bance, Fits, &c., that those afflicted seldom if ever suspect that it is Tape Worm havening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore he proper to take 6 to 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in dozes of 2 Tablespoonfuls 3 times a day, these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

Hobensack's Liver Pills.

No part of the system is more liable to disease than the LiveR, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. Those Pills being composed of ROOTS & PLANTS farmished by nature to heal the sick. Namely, 1st, An EXPECTORANT, which augments the secretion from the Pulmonary nueses membrane or promotes the discharge of secreted matter. 2nd, An ALTERATIVE, which changes in some inexplicable and insensible manner the morbid action of the system. 3d. A TONIC which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th. A CATHARTIC, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole massa of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

To Females. You will find these Pitls an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of intesting the second of t WHOLESALE AGENTS.
